## COURSES

Legal English for International Lawyers, TOLES (Test of Legal English) Exam Preparation & Tour of Legal London - 27th June - 1st July 2022

Our one-week legal English course enables delegates to communicate legal concepts and information in writing confidently and easily, participate easily in meetings, telephone calls and negotiations and use legal English in discussions and presentations confidently. Our engaging course involves interactive exercises, real-life legal drafting exercises and stimulating quizzes and tests. We will scrutinize and practice past TOLES exam papers and fully prepare you to sit the exam in our Exam Centre or online.

### The TOLES (Test of Legal English) EXAM

The TOLES exams allow international lawyers and law students to provide evidence of their language skills in specific areas of knowledge that are highly valued by employers, such as international commercial negotiations, company documents and cross

border contracts drafted in English. Studying for and taking a TOLES exam is excellent preparation for international lawyers intending to do a course for the Solicitors Qualifying Exam (SQE).

### Certificate in Contract Law and Commercial Contract Drafting 4th - 8th July, 2022

On or comprehensive course you will gain a solid foundation in UK Contract Law and learn the fundamental skills of contract drafting with real-life exercises and analysis. You will learn the right terminology, elements of a binding Contract, express and implied terms, drafting and integration process and ensure your document is legally effective.

### Certificate In International Arbitration Course - 11th To 15th July 2022

This one-week Introduction Course gives you an understanding of the general principles of international arbitration. International arbitration is used to solve cross-border disputes and is often the preferred method instead of taking the dispute to court. In this course you will learn how arbitration works, who decides the disputes, what is the process of arbitration, and practise drafting arbitration clauses.

### Set up and run your own Law Firm Masterclass - 25th to 26th July 2022

This superb Masterclass shows you law firm structures, business plans, budget, entity formation, technology, insurance and effective branding.

### Certificate In Mergers And Acquisitions Course 27th - 29th July, 2022

Delegates will explore theory and practice of mergers and acquisitions (M&A) and corporate governance, finance, capital structure and how to value, price, structure and execute M&A deals and choose the optimal financing mix for an M&A deal. Topics covered include hostile takeovers, defense mechanisms and risks involved in M&A, restructuring deals such spinoffs, asset transfers, carve-outs, joint ventures and divestitures and evaluate the M&A process of a real-world merger.
